Hello Sister,

"Sawney" finding a package for me today! - A small one that came first class - forwarded from B.T.C. - Thanks so much for the chewing gum. It sure will come in handy. He chew quite a bit of it - guess it's the lack of sweets. And then too whenever we fly it's usually high enough so that it helps our ears when we come down - and over the target - well, we just give the gun "hell"! - He really need no excuse for chewing it then! - But how did you get a hold of it - so much? - don't deprive yourself of anything cause we can usually get a hold of most of our needs.

I also got your V-mail today of July 12th - It's the first one I've gotten addressed directly to our group here - so that's not bad time - 16 days. I'm anxiously waiting for your realisho miff letter. - V-mails are swell - but the real thing is a lot better. So we all prefer a mixture - V-mails for speed and regular mail for satisfaction!

Thanks too for taking care of Janette's brother's present - but again - you shouldn't mark the best thing from me - After all - you're doing the work so why not get the credit? So the go now - this is a movie tonight - don't know what but what difference does it make - we see 'em all guys now! Be good and don't forget to get your present from the Sawney order Janette? Love, Frank
